Group rules

Oskar Nylin

February 2022

1 Where, and how often will you meet while working?

The group will meet between 10-17, Mon-Fri, somwhere in Ångström.

2 How do you communicate in the group - what channels? - when?

Main communication will be in person, otherwise discord.

3 How will you use other tools, like trello or git?

All files will be uploaded to github. Workload and task-management will be handled in "mural.com".

4 How do you coordinate the final hand-in?

By approval from all groupmembers, one person will hand in the final project.

5 How do you ensure everyone knows what they should do after their current task, and what everyone else is working on?

By looking at scrum in "mural.com"
